From: Berlin

No: 1694, June 18, 7 p.m.

We have following information on Fritz Willi Karl Goettling [Göttling]: Born 14 April 1918, German National, last residence Reinickendorf, West Berlin, missing since June 16 as reported to West Berlin police. HICOG, CIC and DAD have no (repeat no) knowledge of him.

[Otto] Nuschke has been interrogated by CIC and DAD. He still wished return before he was turned over to West Berlin police this afternoon. Police say they have good case against Nuschke re disappearance his former secretary except for lone link. Details unknown.

Soviet tanks and armored cars stationed at crucial points in East Berlin. No (repeat no) action reported, all quiet. VOPO machine guns emplaced some traffic points especially crossovers to West Berlin. Inner city completely controlled by troops and police. Soviet CDT allegedly gave orders no (repeat no) one may leave or enter Soviet sector. This appears probable. Traffic at standstill.

Unconfirmed reports state strikes, work slow downs continue at Hennigsdorf Steel Plant and some other points in zone around Berlin.

No (repeat no) clear picture developments in zone at large, but have unconfirmed reports [of] unrest and strikes in Dresden, Magdeburg, Halle, Erfurt, Leipzig, Brandenburg, Torgau, Chemnitz, Zwickau and Bitterfeld. Judging by East German radio, which emphasizes quiet in Berlin, unrest outside Berlin likely, but [it is] impossible [to] evaluate extent.
