To Comrade GROMYKO

I transmit a note I received from the Korean government with the following contents:

"TO THE CHAIRMAN OF THE COUNCIL OF MINISTERS OF THE USSR

Comrade STALIN I.V.

For preparation of pilot cadres needed for the forthcoming offensive operations
against the American troops I ask you, Comrade STALIN, to allow:

1) The preparation of 200-300 pilots on the territory of the Soviet Union from among
Korean students sent to the USSR for education.

2) The preparation of pilots for two regiments of jet planes and one regiment of
bombers from among the 119 pilots of the Korean People's Army who are being
trained on the territory of the Soviet Union.

3) The dispatch to the Soviet Union of 120 men for the preparation of aviation
technicians and 30 crew members for attack planes which we ourselves are not in a
position to prepare.

4) By January 1 to send an additional 170 Korean pilots to the Soviet Union for flight
