Reply on the Visit of Guevara's Mother

To the [Chinese] Embassy in Cuba,

The cable sent on 8 November [1962] was received. Things informed by Guevara's mother, et al., deserve our attention. After Ambassador Shen [Jian] returned to the embassy, [we] could continue to visit Cuban leaders, conduct discussions, with reference to the spirit of the homeland's policies, and listen to their reactions earnestly. Please bring the materials, the ones handed to you by Abraham [Guillén], to the country, ASAP. When dealing with Guevara's mother, et al., [you] should still listen more while speaking less [duoting shaoshuo].
