Question of Cuba.
Visit of A. Mikoyan.

368 - MONDAY - 17hs30 - Mikoyan intends to remain in Cuba, at least, one week. This will permit a complete review of relations between Cuba and Russia, in face of the last events. Until now I have not obtained information of interest about these negotiations, but the declarations of Mikoyan in New York and the optimism demonstrated by some authorities, with whom I conversed, seem to indicate that the prospects of future Soviet aid are good for Cuba.
