Embassy in Rio on Army's reaction:

Extremely satisfied with Tito's message which contributed to [Brazilian President João] Goulart's decisiveness on Cuban crisis.

Russians withdrew in time, although responsible for the crisis. Kennedy consolidated his reputation. The USA proved that they wanted peace, besides demonstrating its power.

However, Brazil and the others proved that the peaceful solution was the only way.

They would like that comrade President [Tito] sends his message to Goulart and even more to the Brazilian people, as soon as the Cuban crisis approached the solution.

The embassy states that the Army is more united than ever and is with Goulart.
