The Central Committee of the CPS, the regional committees of the CPS, CPCz municipal committees in Prague and Bratislava district (provincial) committees of the CPS, CPCz

The nation-wide party caucus which took place in Prague on 28 November 1989 reached the following conclusions:

1. The political directive for the plan of action of the entire party over the next few days is laid out in the speech of the Secretary General at the Nation-wide Party Caucus. The program of the party will be prepared by the Presidium of the CC CPCz and introduced for discussion in the party.
2. To acquaint every communist with the discussions of the Caucus, and explain the conclusions of its discussion and seek their fulfillment by communists and other workers. To strengthen the unity of the party behind the principles of socialism. Trust in the party must be supported by well thought-out cadre decisions and not by lack of control and certainly not by pressure.
3. It gives total support and trust to our leadership of the Central Committee and its Secretary General, comrade Karel Urbánek, during the discussion of the current problems.
4. The CC CPCz proposes to begin an analysis of the entire forty-year period of the construction of socialism, especially the years 1968-1969.
5. Engage in an active dialogue and cooperate with all who want to build a socialist Czechoslovakia. This [includes] those individuals and groups who are concentrated in the Civic Forum and uphold these positions. To show at the same time the true side of those who, in the name of the citizens, try to break up the socialist leadership of our CPCz.
6. To enable the members of the CPCz expelled from the party in connection with the developments of the years 1968-1969 to return to the CPCz, as long as they are in favor of socialism.
7. The date for the [next] Party Congress was approved by the session of the CC CPCz for 26 January 1989. If the situation demands it, call the congress earlier. The CC CPCz will decide these questions. It is necessary, however, to immediately initiate the preparations and to responsibly choose delegates who will carry the responsibility for the ensuing fate of our party and this country.
8. We refuse the demands for the liquidation of the Peoples Militia, basic

organizations in the workplace and the transfer of party property. The Peoples Militia are not aimed against our nation, but are necessary to prevent sabotage and revolutionary attempts.

9. The main goal at the present is to secure the fulfillment of all the tasks in the national economy. To ensure the continuation of production, supply, operation of services and healthcare. The communists must lead by example in these activities.

10. The caucus repudiated the random attacks of the Civic Forum against the president of the republic, for this function must be protected in accordance with our Constitution.

11. The reminders which were introduced at the nation-wide party caucus will be used by the Central Committee of the Party in preparation for the emergency congress and during the elaboration of the platform of the CPCz.
