DRAFT RESOLUTION

The General Assembly,

Recognizing that, in accordance with the purposes and principles of the Charter regarding the maintenance of international peace and security, the United Nations has a continuing responsibility to ensure the attainment of this goal on the Korean peninsula,

Noting with satisfaction the issuance of the Joint Communiqué at Seoul and Pyongyang on 4 July 1972 and the continuation of the dialogue between the two parts of Korea,

Bearing in mind that both the Republic of Korea and the Democratic People's Republic of Korea are now participating in the United Nations system,

Having noted the report of the United Nations Commission for the Unification and Rehabilitation of Korea (A/),

Aware, however, that tension in Korea has not been totally eliminated and that the Armistice Agreement of 27 July 1953 still remains indispensable to the maintenance of peace and security in the area,

1. Welcomes the dialogue, conducted by South and North Korea to ease tension on the Korean peninsula and to make progress towards the peaceful unification of Korea, and expresses the hope that the objectives of this dialogue will be achieved;
2. Decides to approve the recommendation contained in the annual report of the United Nations Commission for the Unification and Rehabilitation of Korea (A/) that it be dissolved;
3. Expresses the hope that, in the spirit of universality, the Republic of Korea and the Democratic People's Republic of Korea consider membership in the United Nations as a further means of promoting the maintenance of peace and security in the area and thus the goal of peaceful unification;
4. Further expresses the hope that the Security Council, bearing in mind the need to ensure continued adherence to the Armistice Agreement and the full maintenance of peace and security in the area, will in due course give consideration, in consultation with the parties directly concerned, to those aspects of the Korean question which fall within its responsibility.

DRAFT RESOLUTION

Creation of favourable conditions to accelerate the independent
and peaceful reunification of Korea

The General Assembly,

Noting the fact that the reunification of Korea has not yet been achieved although over twenty-eight years have already elapsed since the division of Korea into the north and the south and twenty years since the establishment of the armistice in Korea.

Considering that the internal affairs of each country should be solved by its people themselves on the basis of the principles of national self-determination,

Noting the fact that in their joint statement made public on 4 July 1972 the north and the south of Korea agreed to the following three principles of national reunification:

- (a) The reunification of the country should be achieved independently, without reliance upon outside force or its interference,
- (b) The reunification of the country should be achieved by peaceful means, without recourse to the use of arms against the other side,
- (c) Great national unity should be promoted,

and the fact that the North-South Co-ordination Committee has been formed for the purpose of solving the question of Korean reunification,

Expressing the desire that military confrontation between the north and the south of Korea will be eliminated, peace agreement be concluded and many-sided collaboration and interchange be materialized in the political, military, economic, cultural and diplomatic fields so that the aim of peaceful reunification may be achieved at the earliest possible date,

Recognizing that the termination of the interference of foreign countries in the internal affairs of Korea is the key for easing tensions in Korea, turning the armistice into a durable peace, promoting the dialogue between the north and the south smoothly and thereby achieving the independent, peaceful reunification of the country,

Recognizing that it is in accord with the principles of the Charter of the United Nations to maintain and consolidate peace in Korea and encourage to the utmost the early solution of the question of the reunification of Korea in conformity with the principles of the North-South Joint Statement and the principle of national self-determination as well as the entry into the United Nations by a single unified Korea and create favourable conditions for it,
