The Honorable, Dr. Syngman Rhee
President, Republic of Korea
Seoul, Korea

Dear Dr. Rhee:

I note from the Daily Press that you had a conference with Generalissimo Chiang Kai-shek. This meeting, in my judgment, will go down in history as the turning point in successfully combating Communism.

The American people are now beginning to realize and appreciate your worth in combating this evil.

I can appreciate your feeling in having Indian troops on Korean soil under the sovereign Government of Korea exercising a military authority over Koreans. We do however, at times, find it necessary to keep our feelings and better judgment in a state of suspension until a more opportune time for the action that we know we must eventually take.

With kind personal regards to both you and Madame Rhee,
I am

Yours very truly,

JWS:dgo
