Dear Mr. Stagers:

Your letter No. 83 forwarded thru the diplomatic pouch has been received and brought to the attention of the President.

As the Korea House are private traders they are personally responsible for the order given by Mr. Handelman.

Your request for assurance to have this order placed in proper Government official's hands for expediting is rather difficult to oblige with as the order was placed with a private trader. But be assured that we will take proper steps within our limit to comply with your request.

With best regards,

Sincerely yours,

Mr. John W. Stagers
