RADIO BROADCASTS

BRAZZAVILLE, French, 24 October, transcript.

Last night the Soviet Ambassador in London denied a report that supposedly the Soviet press attaché had made a soothing announcement about the state of health of Generalissimo Stalin to one of the Soviet journalists.

PARIS, French, 24 October, transcript.

It is known that in America a rumor has been spreading that Marshal Stalin is dying. In authoritative circles they are stating that the State Department has not yet received any information about the health of Stalin from the US Embassy in Moscow.

ROME, Italian, 24 October, transcript.

LONDON. The Soviet Embassy in London has denied rumors about a serious illness and death of Stalin. A representative of the Soviet Embassy declared that Stalin feels fine and that he has taken a vacation.

BARI, Italian, 24 October, transcript.

Rumors circulating that Stalin has died or was seriously ill have been denied by an official representative of the Soviet Embassy in London, who declared that the state of Stalin's health is excellent and that at the present time he is using the vacation he is due.
